General Business.

- Will seek "new funding" means in future meet with Premier
 - We also need to look at seeking "grants" via Jeremy Rockcliffe's idea of an "allocation " per year where we raise an invoice as an operating fund!
 - Still have issue with MAIB re Stats on Motorcycle Crashes. Act apparently states unlicensed and unregistered vehicles should not be considered for payment.
 - approximately 5,000 Riders come to Tassie via the Spirit of Tasmania each year.
 - Danny raised Kentish/Latrobe Community road safety meets. That is, why do other Councils not do the same? Danny to pursue West Tamar and Roger to pursue Meander and Kentish/Latrobe.
 - Roger raised point re given one task to do but Paul did it for him when he asked how to go about it.
- Meeting agreed we need members to be able to do tasks - share knowledge where we can.
