. Motorcycle fatalities for 2020 were recorded as 5.

In that number, one fatality was a 14 y.o. unlicensed boy rider in Claremont, Hobart, who in our opinion, should not have been recorded/included in the general Motorcycle stats.

Another fatality in that number of 5 was the 28 y.o. who was doing almost 3 times the speed limit in the Launceston city boundary, in Wellington St, with a go pro on his helmet!

. TMC and AJL have/will develop a scheme where TMC serious contributors will get 25% discount on their learners training costs.

. Some confusion as to who is on mailing list and who is not. It appears Paul may be lacking some as Henk advised the meeting all get minutes/agendas when he sends them out as Secretary.

Today's meeting notices were issued by Paul. Henk suggested he list all (those on the/his list) in these minutes for clarification.

. Danny advised he is still waiting to hear from West Tamar Mayor Christine, in relation to the West Tamar Road Safety Committee.

. Danny reported by email that MAIB had contributed some \$91.9 million to our State Gov.

. Simon wants to re meet with our premier to follow up on the lack of results from the previous meeting.

. Wire Rope Barriers still being installed in Tassie, whilst elsewhere around the world they.

**Next Meeting.** Saturday 20th February 2021.

**Meeting Closed** 11.20am

Henk Van Zetten,  
Secretary
