### Hollow Tree Road Audit

TMC was invited by state growth to participate in the road audit and workshop.

#### **Motorcycle Road Safety Audit of Hollow Tree Road**

The Department of State Growth is pleased to be partnering with the Central Highlands Council to undertake a motorcycle road safety audit of Hollow Tree Road, Bothwell to the Lyell Highway.

Hollow Tree Road is a popular route for both touring and Tasmanian motorcyclists. The road also has a high relative crash rate for motorcyclists, resulting in a number of serious causality crashes.

#### **Following the Road Audit was a workshop**

Those who attending the workshop were:

- Central Highlands Council members
- Nominated Central Highlands Council employees
- Nominated local stakeholders
- Tasmania Police
- State Growth employees
- Expert motorcyclists

As the TMC was unable to attend the road audit on the day, two members travelled to Bothwell the week before and conducted a road audit which follows.
