

TASMANIAN MOTORCYCLE COUNCIL Inc.

General Meeting July 9, 2016

Meeting Opened:

15:09

Present

Simon Hrycyszyn, Keri Titley, Paul Bullock, John Wallander

Apologies

Julie Penney, Danny Penney, Norman Targett, Carolyn Jamieson, James Benham,

Correspondence

RMV sent through the Helmet Labeling of which all officers agreed was a great idea.

AMC-AGM it was decided that we could not afford this year to send both Secretary and President, so Paul is going. It is held this year in Darwin.

Protective Clothing. It is the policy of the AMC and therefore the TMC that protective clothing will not be compulsory but rather have a star quality rating.

Learner Trainer Program.

Paul and Keri went to Melbourne to view the new program that the RMV is consider adopting. They both agreed the new program is exceptionally good and would support it. They also observed the current program in Hobart and agreed it was delivered well according to the curriculum but is very outdated. The new program does include two full days and an on road component. The TMC has officially given its support to the minister and the Registrar.

Community Grant.

We unfortunately did not get any money under the community grant, however most of our requests will be done via another department. The only request that will not be supported is the upgrade of the website.

Sponsorship.

It was agreed that all officers and committee members must seek sponsorship. Paul is to approach all bike shops and Keri will approach Insurance Companies and Dealerships.

Internet Banking

It has been decided to do internet banking to save much needed funds. The bank will not do this unless the signatories are changed and copy of minutes are forwarded. All voted in favour.

Membership

Membership was discussed to raise much needed funds. It is our constitution that members have to pay. After a large discussion it was decided to generate membership from clubs only not individuals, covering kids dirt bikes through to patched clubs. The fees charged would be \$75 for off road and \$150 for on road. This will also give ownership and interest in the Council. All club membership will enable them to vote. There will be a formal meeting/introduction to this on the 20th August, 2016 to launch, at 3pm at Iron Horse Café.

Northhampton Council

Carolynn requested we look at the video and concept this council has put into place in relation to ride to work and cut down congestion. The TMC has made the decision that whilst it is a good idea it is something to take up at a later stage.

Distinguished Gentlemen's Ride

This event has been put on our website.

Gmail

Paul requested we look at Gmail rather than the current one we use. Our advice on this matter made us decide to stay with what we have.

AMC-AGM

This event is being held in Darwin this year. Paul has decided to attend. Payment has been made for the accommodation.
