Notes

The number of motorcycle licences held in Tasmania is not representative of the licenced riders on Tasmanian roads. Motorcycle licences at 30/6/2014 total 49,829, yet currently registered motorcycles total 16,487 (less than 50% of the total licences). For this reason comparative data on licences has been removed.

* MAIB Motorcycle Claims

Including:

- Finalised (accepted) claims with \$0 paid
- Rejected Claims (these claims are still potentially representing an injured person)
- Bicyclist, Pedestrians, Witnesses, etc, whose claim relates to a motorcycle in an incident
- Claims on incidents which occurred interstate
- Mainland registered vehicles with open claims or claims where payments have been made

Excluding:

- Mainland registered vehicles rejected for SB and no CL applicable that are finalised with no costs paid

As more information becomes available, the status of the claim can change which could potentially alter the number of claims listed above, should it be run again at another point in time.

** Serious Claims

Serious Claims headings represent the following:

- Serious includes fatal claims, claims with large claims costs, and/or claimants with multiple days in hospital
- Not Serious includes non-fatal claims that do not reach the large cost threshold (as yet) and that have not stayed in hospital for more than one night

*** Licence Groups

Licence Groups include the following Licence Types:

- Full - only the Full licence type
- Novice - Novice L, Novice P1, Novice P2 and Learner (previously held a full licence) licence types
- Other - all other licence types
